Program Details

Little Manila After School Program

Serving our local high school students, the Little Manila After School Program (LMASP) is an Ethnic Studies program focused on Philippine & Filipino American history, culture, politics, art, community responsibility, and collegiate access.

Healing Pilipinx Uplifting Self & Others (P.U.S.O)

Heal Self, Heal Others. Together, our collective cultivates sacred & safe spaces for holistic, culturally-rooted healing for our community. We do this through mind, body, spirit & heart work.

Transformative Climate Communities

As a part of the Transformative Climate Communities (TCC), a city-wide effort to create a more inclusive and healthy community, we fight to provide equitable solutions to the disproportionate impacts of climate change. The goal of this cohort is to increase awareness and engagement around Environmental Justice and climate action in South Stockton.

Our mission is to help people grow ideas. We develop new partnerships, stimulate economic development, create new jobs, and nurture entrepreneurship and enterprises dedicated to innovative and emerging technologies.

Program Details

Opportunity Build

Opportunity Build is an industry-certified construction training program, providing a path to union apprenticeship in the skilled trades. The program begins with 10-12 weeks of hands-on training at their Oakland facility and offers 12 months of one-on-one job placement and retention support. Graduates are prepared to pursue careers in the union construction trades, becoming Sheet Metal Workers, Operating Engineers, Carpenters, and more. Certain trades offer direct entry for Opportunity Build graduates. To learn more click [Here](#)

Climate Careers

Since 2000, Climate Careers has operated as a highly innovative youth empowerment program, addressing climate change by employing youth to provide energy efficiency services to over 55,000 Northern California residences. We train and employ Bay Area and San Joaquin youth to conduct Green House Calls in their home communities.

The San Joaquin Building Trades Council represents 21 different construction trade union affiliates that represent over 10,000 men and women, who work in the construction trade industry, and live in San Joaquin, Calaveras, and Alpine Counties.

Program Details

College Corps

Pacific partners with numerous organizations by providing students with hands-on learning experiences that benefit our community in one of four focus areas:

- K-12 Education
- Climate Action
- Food Insecurity
- Community Health

Each fellow can be expected to serve for one academic year (two semesters) for a total of 450 hours (approximately 15 hours weekly for 30 weeks).

The Volunteer Center

The Pacific Volunteer Center is a student-run center focusing on education, action, and service. Programs offered by the Center allow University of the Pacific students to become more involved in their community. Through hands-on learning, students will serve to empower one another and work toward a more socially just community.

At San Joaquin County WorkNet you will discover the wide range of services available to assist you in your job search. WorkNet Customers can access the Internet for their job search, get assistance with resume and cover letter creation and access online training to brush up on the skills you need to land that job!
